

STAR TekInfo

Handles with precision ...

... so does the car.

CUSTOMER & SERVICE INFORMATION ONLINE

There is no substitute for authenticity, and there's no substitute for precision. That's why Mercedes-Benz USA launched STAR TekInfo - the official online technical resource for our automobiles. Manuals, wiring diagrams, WIS-net, parts information, equipment information, bulletins ... and a chance to learn about your Mercedes-Benz - all online.

Spend less time looking for solutions, and more time testing them.
